Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

BREAK ME NOT: A HAVENWOOD FALLS NOVELLA (PAPERBACK)**DOWNLOAD**

Ang'dora Productions, LLC, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Welcome to the secluded mountain town of Havenwood Falls, home to sexy men, strong women, and neighbors who bite. Discover supernatural mystery, thrills, and romance in a place where everyone has a deep, dark, and often deadly secret. A continuation of Forget You Not and Lose You Not, this is Addie and Tase's story. Addie Beaumont loves her hometown of Havenwood Falls and would do anything to protect it. She also loves Tase Roca—even after all the times he's broken her heart. She would do anything to protect him, as well, so when her two loves are on the brink of destroying each other, Addie gets caught in the middle. A curse is transforming Tase from a mortal vampire into an unstoppable, bloodthirsty monster. He's become a lethal threat to Havenwood Falls, causing the town's leaders to hang a death sentence over his head. It's up to Addie to break the curse before they execute him. The Eye of Valerian holds the answers, but the dark artifact is protected by black magic that scares the hell out of her. When she finally unlocks its powers, she and Tase are swept into a dangerous plot that could destroy everything they cherish. Love may be their only hope, but true love means no secrets, and they both keep plenty. One Addie denies even to herself, but embracing its truth has the potential to save her town, her loved ones, and Tase—and the power to break them both. The Havenwood Falls shared world is a collaborative effort by multiple authors across multiple series all in the paranormal fantasy genre, allowing readers to discover new authors and stories to fall in love with. Each author brings a stand-alone plotline, so they can be read in any...
