INFORMATION: A VERY SHORT INTRODUCTION (PAPERBACK)

Oxford University Press, United Kingdom, 2010. Paperback. Condition: New. Language: English. Brand new Book. We live an information-soaked existence - information pours into our lives through television, radio, books, and of course, the Internet. Some say we suffer from 'infoglut'. But what is information? The concept of 'information' is a profound one, rooted in mathematics, central to whole branches of science, yet with implications on every aspect of our everyday lives: DNA provides the information to create us; we learn...
