ENVIRONMENTAL ORGANIZATIONS IN MODERN GERMANY: HARDY SURVIVORS IN THE TWENTIETH CENTURY AND BEYOND (PAPERBACK)

[DOWNLOAD](#)

Berghahn Books, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English. Brand new Book. "This narrative of the rise and repeated adaptation of the German environmental movement to a variety of social and political contexts is a fascinating one. Ultimately, Markham's sociological analysis of German nature protection organizations proves readable and engaging. He makes significant efforts to write a broadly accessible work. Discussions of sociological theory are limited to a methodological chapter and part of the conclusion; otherwise, his prose is clear and highly organized. This book therefore would make an excellent introduction to the history of German environmentalism." * H-German ".a welcome addition to the topic of German environmentalism .[that]is well organized.[and] succeeds, in part, because of its theoretical perspective. [It] also succeeds because of meticulous research." * Canadian Journal of History/Annales canadiennes d'histoire ".a profound, comprehensive study, which is singular in its kind and is sure to become a standard reference (Standardwerk) on this subject. In many research stays in Germany, Markham acquired a profound knowledge of the history and the present characteristics of German environmental organizations, of their changing role in politics, and the strategic dilemmas they face." * Nature + Culture "The main contribution of this book lies in its thorough and informative account of the historical development of German environmentalism. an impressive work that will be of interest to researchers well beyond the boundaries of environmental sociology and politics, or European (German) studies." * American Journal of Sociology ".a well-researched and highly accessible historical-sociological investigation of German environmental organizations in the twentieth century as well as a critical assessment of the strategic dilemmas and decisions that these groups faced as they entered the twenty-first. an excellent contribution to a growing historical literature dedicated to the 'greening' of German history." * The American Historical Review "William T. Markham. has written a very useful...
