IRRESISTIBLE MASCULINE SEXAPPEAL: MAKES WOMEN DROOL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. To be irresistibly attractive to women. That would be rad, wouldn't it? You see other men working their magic, and you wonder just how they know just what to do. Well, I'll tell you one thing for certain: they weren't born with it. Attraction, believe it or not, is more of a skill than a born personality trait, and you can acquire it, too. The secret lies in understanding exactly what a woman wants, and learning how to give it to her. We have all been taught wrong since we were children about what females find attractive. It's impossible to make them want you when you have no idea what you want. But advice from someone who has plenty of experience attracting women could change everything for you, teaching you what to do in order to make yourself irresistible. I am a man that women naturally find attractive, and I have seduced many women over the years, learning many tricks along the way. I know how their minds work, what makes them tick. I know what they want and what they don't want, and I am willing to share that information with you. Finally, you will know what you've been doing wrong. You will know what things you need to start doing, and which habits you need to kick. Prepare yourself to be the most attractive man in any room, no matter what you look like. The subtleties of what a woman finds attractive is enough information to fill a book-which is exactly what I've done. But this is no ordinary book. This book compiles years of built knowledge on female attraction, both from my own experience and from my observations, and contains everything you...
