**AT HOME WITH KINGSHAVEN: ESTATES, INTERIORS, LANDSCAPES (HARDBACK)****DOWNLOAD**

Images Publishing Group Pty Ltd, Australia, 2019. Hardback. Condition: New. Language: English. Brand new Book. The KingsHaven Design team is skilled at transforming timeworn interiors and exteriors into breathtaking spaces for inspired living by sharing with their clients the spectacular work of artisans and artworks from around the world, and by developing strong fair-trade relationships with artists that benefit them, their families, and their communities. Be it working with a stonemason to salvage the granite facade of a historic estate, collaborating with blacksmiths on a lighting fixture or custom piece of furniture, meeting with artisans who create gorgeous handcrafted baskets in the designs of their tribal ancestors, or searching hidden markets in Europe and South America for art pottery, antique mirrors, prints, and textiles, Lauren Wylonis and the studio's objective is to reclaim, restore, and revitalise their client's residential interiors and exteriors. In many senses of clever design, they create spaces that reflect a sharp and sophisticated twenty-first-century aesthetic for today's energetic lifestyles, yet never lose sight of the past. Rejuvenation of character, charm and architectural significance combined with the creation of cutting-edge luxury and style are the hallmarks of the design studio's ethos, which also can be seen in the handcrafted light fixtures, furnishings, and accessories found at Wylonis's irresistible retail showroom in Paoli, PA, just outside Philadelphia. The pages of this book are resplendent with luscious photography and insightful texts that together showcase Wylonis's unique practice and meticulous attention to detail in designing lighting, furniture, and home decor that takes each space to a higher level in art, architecture, beauty, and function. The useful tips for use in a new home or renovation are diverse and range from mindful design to achieving authenticity in an older home renovation. A must-have book for a connoisseur of interiors and design,...
