Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Explicit age play erotic story. **DICTIONARY:** Age play the act of an adult pretending to be much younger than they are, usually for mutual sexual gratification. **EXCERPT.** 'I love my Daddy so much it makes me ache. When my mum left him I was surprised not to go with her, you see he's not my real Daddy. He married my mum and so he's my Step-Daddy. After my mum went away the other girls at school were nasty to me and teased me so much about having a Daddy who is a different colour to me, that he pulled me out of school. Now that I am nineteen I don't need to be home schooled, but we hardly ever leave the house. Today we are going out shopping. I love shopping days, Daddy always buys me something nice to wear. Today we go into the big department store straight to the younger section. I can't have clothes from the adult section because none of them fit me they are far too big. He takes me into the dress section, I want something short the weather is so hot. I try on lots but the one I really like is a peach coloured one with short sleeves. It has pleats so that when I lift it up at the sides it looks like half an orange with lots of segments. It's nice and short too, the bottom half way up my legs from my knees. I look in the label it says fourteen to fifteen, perfect, I'm glad I have no boobs to speak of or it wouldn't fit around the top half. It has four big buttons down the front, there only for show though...
