Phenomenological Approaches to Popular Culture (Paperback)

By -

University of Wisconsin Press, United States, 2003. Paperback. Condition: New. New. Language: English. Brand new Book. Within popular culture studies, one finds discussions about quantitative sociology, Marxism, psychoanalysis, myth criticism, feminism, and semiotics, but hardly a word on the usefulness of phenomenology, the branch of philosophy concerned with human experience. In spite of this omission, there is a close relationship between the aims of phenomenology and the aims of popular culture studies, for both movements have attempted to redirect academic study toward everyday lived experience. The fifteen essays in this volume demonstrate the way in which phenomenological approaches can illuminate popular culture studies, and in so doing they take on the entire range of popular culture.

Reviews

This created ebook is great. it was writtern very properly and useful. Its been printed in an exceedingly easy way in fact it is just right after i finished reading this pdf where basically modified me, alter the way i think.

-- Aglae Becker

This ebook is definitely worth buying. It is definitely basic but excitement within the fifty percent in the ebook. Its been designed in an extremely straightforward way which is merely following i finished reading this ebook where basically changed me, alter the way in my opinion.
