Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Do you know how to keep your children safe in a 24-7, always connected digital society? Second Edition updates: The 2nd edition includes all new chapters and content and has been updated to reflect changes in the technological landscape including new device concerns, apps settings, stories from students, data gathered from live student audiences, and more. Sometimes I feel like Chicken Little shouting: "The sky is falling," but then I turn on the news the next morning, and a chunk of the sky falls into my coffee. As your children travel through the digital world they are also going to experience its underbelly; a dark place filled with cyberbullying, sexting, and sexual predation. Most parents believe that they should discuss this issue of digital safety with their children around the time that puberty hits. This is completely incorrect. The discussion about digital safety needs to begin the very first time your child uses a tablet or a smartphone without mom or dad literally sitting right next to them. Children as young as 8 years old are regular consumers of pornography. Middle school students are going to prison as a result of felony sexting. Sexual predators are hanging out in the same games and apps where your children are. Get educated, today. * Read each chapter's Action Items and implement them today in your own home. * Use the Conversation Starters in each chapter to begin a dialogue with children of any age. * Find out if your child is ready for a cell phone. * Learn why YouTube is the biggest pornography risk in your home. * Learn how Minecraft can be either completely safe or a harbor for sexual predators. * Learn why children...
