In Corpus Christi, Texas - a town often hit by hurricanes - parents, children, and lovers come together and fall apart, bonded and battered by memories of loss that they feel as acutely as physical pain. A car accident joins strangers linked by an intimate knowledge of madness. A teenage boy remembers his father's act of sudden and self-righteous violence. A 'hurricane party' reunites a couple whom tragedy parted. And, in an unforgettable three-story cycle, an illness heals a man's relationship with his mother and reveals the odd, shifting fidelity of truth to love. Writing with tough humor, deep humanity, and a keen eye for the natural environment, Bret Anthony Johnston creates a world where cataclysmic events cut people loose from their 'regular lives, floating and spiraling away from where we had been the day before.'
