Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

BIOCHEMISTRY: CONCEPTS AND CONNECTIONS PLUS PEARSON MASTERINGCHEMISTRY WITH PEARSON ETEXT, GLOBAL EDITION (MIXED MEDIA PRODUCT)

Pearson Education Limited, United Kingdom, 2018. Mixed media product. Condition: New. 2nd edition. Language: N/A. Brand new Book. For courses in biochemistry. This package includes Pearson Mastering Chemistry. Engage students in biochemistry visually and through real-world applications. Biochemistry: Concepts and Connections engages students with a unique approach to visualization, synthesis of complex topics, and connections to the real world. The author team builds quantitative reasoning skills and provides students with a rich, chemical perspective on biological processes. The text emphasizes fundamental concepts and connections, showing how biochemistry relates to practical applications in medicine, agricultural sciences, environmental sciences, and forensics. The newly revised 2nd Edition integrates even more robust biochemistry-specific content in Pearson Mastering (TM) Chemistry, creating an interactive experience for today's students. New Threshold Concept Tutorials help students master the most challenging and critical ideas in biochemistry, while Interactive Case Studies connect course material to the real world by having students explore actual scientific data from primary literature. Reach every student by pairing this text with Pearson Mastering Chemistry. Pearson Mastering Chemistry is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools developed to engage students and emulate the office-hour experience, Mastering personalizes learning and often improves results for each student. Pearson Mastering Chemistry should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
