AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Col Arnold has accumulated a wealth of knowledge while serving as an Army officer, decorated combat veteran, medical doctor, flight surgeon, and as the former Director for the Illinois Department of Public Health. In his book, *The Theory of Social Disruption*, he offers a new and unique perspective on the underlying societal dynamics which are operating at all times within any given community. Further, this book offers brilliantly constructed and practical conceptual frameworks that unify the real world circumstances that we all face on a daily basis. It boldly delves into the underpinnings of social relationships and circumstances to provide a wealth of wisdom for practical applications. It unifies eastern and western theoretical principles on both a cultural and scientific basis. The author challenges the reader to understand the world from a different vantage point while also providing tools for self- exploration and growth as an individual in society. Further, this book serves as a guide and launching pad for the further development of both the social and service delivery competencies of the reader. It is intended to greatly strengthen the reader on a fundamental level. Endorsements: This is a must read! It is captivating, mind bending, and transformational on both a personal and professional level. It squarely addresses what must be done not only during times of disaster, but every day within community settings. LTG Russel L. Honore, US Army (Ret.) This book skillfully moves the reader from concept to practical, operational real world applications. It makes crystal clear the components that give rise to dynamic leaders and competent professionals. It will simply change the way that you see the world and yourself for the better. Read it!
