Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Seeds of An Entrepreneur: Simple Guide to Change your Habits, Start your Business and Live a Life of Success--50% OFF! (Now through Monday)The primary focus of this book is to help you make the necessary mindset and lifestyle changes needed to take the leap into entrepreneurship. It is not a Business 101 book, but will help you build your confidence and develop habits to increase your chance of success and happiness as you prepare to start a business. Is This Book Right for Me?If you want more out of life but are unsure of the next steps, you are tired of working a 9-5 job with little room for advancement, want more freedom, want more money, want to discover what you are passionate about or if you want to learn how to turn your passions into a successful business this book will help you. What Will I Learn?You will learn how to turn your values, skills and knowledge into a successful business, even if you do not have any business ideas yet. Once you develop some ideas, you will then learn techniques to ensure your ideas will be profitable. There will be lessons and activities to overcome any doubts and fears so that you feel confident to take that next step. Furthermore, you will learn how to transform your mind and habits into those of a successful entrepreneur. How Will This Book Actually Help Me? This book presents much more than simple business facts and figures. Every chapter first gives you information and ideas to help you understand basic concepts. This is followed by examples and case studies of fellow entrepreneurs to help further your understanding of these concepts. Finally, each chapter ends with 'Action Steps'...
