Reviews

I actually began looking over this ebook. I could possibly comprehend everything using this published e publication. You won't feel monotony at any time of your time (that's what catalogues are for regarding if you request me).
(Arnold Nienow)

THE IDEA OF ISRAEL: A HISTORY OF POWER AND KNOWLEDGE

Verso Books. Paperback. Condition: new. BRAND NEW, The Idea of Israel: A History of Power and Knowledge, Ilan Pappé, In this groundbreaking new work, Ilan Pappé looks at the continued role of Zionist ideology. The Idea of Israel considers the way Zionism operates outside of the government and military in areas such as the country's education system, media, and cinema. In particular, Pappé examines the way successive generations of historians have framed the 1948 conflict as a liberation campaign, creating a foundation myth that went unquestioned in Israeli society until the 1990s. The Idea of Israel is a powerful and urgent intervention in the war of ideas concerning the past, and the future, of the Palestinian-Israeli conflict.
